Memorandum

DATE: March 31, 2015
TO: Spectrum Customers and Distributors
FROM: Tricia Justice, Product Manager
SUBJECT: End-of-Sale Notification for 600-GB Spectrum MediaStore Models

End-of-Sale Announcement

This notice is to inform you that the Spectrum MediaStore models MSS-5016-06H and MSS-5024-06H with 600-GB SAS hard drives will no longer be available for sale from Harmonic after March 31, 2015.

MediaStore models with other storage options are not affected and will continue to be available for sale. The 600-GB SAS HDD spare part (SP-0111-001) for the affected MediaStores will also continue to be offered for sale.

Ongoing Product Support

MediaStore MSS-50xx-06H models with 600-GB drives are not end-of-service. Software releases, bug fixes and new features for the MediaStore product will continue to be available until further notice. Hardware support and spares for the MediaStore products will also continue to be available until further notice.

Support and Repair

Harmonic will continue to support MSS-5016-06H and MSS-5024-06H MediaStores pursuant to its standard warranty, and customers with active service contracts will continue to receive support under the terms of the applicable agreement until further notice.

Alternative Solutions

Spectrum MediaStores continue to be offered with several different storage options, including 300 GB, 900 GB and 1.2 TB.

Storage capacity of existing Spectrums systems with MSS-50xx-06H MediaStores can be expanded by adding other MediaStore models (300 GB, 900 GB and 1.2 TB).

For more information or to obtain a quotation for an alternative product, please contact your Harmonic sales representative, or call Harmonic at +1-408-542-2521 for further assistance.
