

Memorandum

DATE: May 1st 2007
TO: Our Valued Customers and Distributors
FROM: Kirssy Valles, Product Marketing Manager
SUBJECT: Announcement of End of General Availability and End of Life notification for MN20 products

End of General Availability and End of Life

This is to advise you that in compliance with Harmonic's product end-of-life procedures, we are announcing the End of General Availability, effective June 30th 2007, for the following products:

- MN20 3 RU and 4RU Chassis/PSU
- AEM - Audio Encoder Module
- AOM - ATM Output Module
- AOM-IP - IP/ATM Output Module
- MDM - Monitor Decoder Module
- ARM - ASI Remultiplexing Module
- ARM4 - ASI Remultiplexing Module
- MOM - Multiple Output Module
- EOM - Ethernet Output Module

End of Life Notification

This is to advise you that End Of Life of the afore mentioned products will be 31st December 2007.

Last orders

Should you wish to purchase any units from these product ranges the last date that Harmonic will accept a purchase order is September 30th. 2007.

Support and Repair

No new features for these products will be developed after 30th June 2007. Harmonic will continue to support these products pursuant to its standard warranty, and customers with active service contracts will continue to receive support under the terms of the applicable agreement.

Alternative Solutions

Alternative solutions may be available from the Harmonic® ProStream™ 1000 product range depending upon specific requirements.

Please contact your Harmonic Sales Representative should you have any questions regarding these events.

For more information or to obtain a quotation for alternative product, please contact your Harmonic Sales Representative or call Harmonic at 1-800-828-5521 (in the US) or from outside the US at +1-408-542-2559 for further assistance.
