## Memorandum

**Date:** November 17, 2015  
**To:** Harmonic NMX Customers and Channel Partners  
**From:** Mangesh Kalbhor, Product Manager - NMX  
**Subject:** NMX 7.4.1 GA Software Release

Harmonic is pleased to announce the release of NMX 7.4.1 general availability (GA) software for NMX Digital Service Manager and systems. This release is a patch release on NMX 7.4.x with a focus on resolving customer reported issues.

For a complete list of resolved issues in NMX 7.4.1, please see the release notes, user guides and application notes.

NOTE: Electra X users who have enabled the Maximum Chunk Size option for their Electra X encoding profile should not take this NMX patch. For more information, refer to the Release Notes.

This release is available for immediate download for customers with an active SLA via Harmonic's software download portal.

For additional information, please contact Harmonic Technical Support:
