

## Memorandum

**Date:** February 28, 2017  
**To:** Harmonic NMX Customers and Channel Partners  
**From:** Mangesh Kalbhor, Product Manager - NMX  
**Subject:** NMX 7.4.8 GA Software Release

Harmonic is pleased to announce the release of NMX 7.4.8 general availability (GA) software for NMX Digital Service Manager and systems.

This release is a patch release on NMX 7.4.x with a focus on resolving customer reported issue (with potential effects but low probability to happen). This patch only applies to NMX (no changes to any managed devices).

This release is available for immediate download for customers with an active SLA via Harmonic's software download portal. Customers are invited to upgrade whenever possible or to contact Harmonic support for additional information.
